	<p>workshops, Aimsweb screening window</p> <ol style="list-style-type: none"><li>4. New 2<sup>nd</sup> grade teacher-Adam Martinez, music-Ricky Lind, Movement-Drew Anderson (long term sub)(interviewing next week for permanent movement position), Glenda Kruger- TA, Pamela Burd-sub TA for Sarah R, Michele Poplarchik- kindergarten sub TA until Natalie comes back from maternity leave</li><li>5. Security-looking at cameras for the school doors and sheds. Three laptops have been stolen as well as 42 pairs of skis and other items from the shed. We have received 4 bids. Discussion about different types of security systems- and replacing the sheds with a Conex. Christina suggested splitting the cost of 2 connexes with WPG.</li><li>6. George and Donna (mentors) will be at Winterberry from September 26 -Oct 7</li><li>7. Web site: Exploring the possibility of utilizing the ASD website platform for Winterberry (comments regarding the website- We have spent a lot of money on making brand new websites from scratch every 3 years. The website revision should be in someone's job description)</li></ol> <p>Question regarding volleyball from Christina: Are we able to participate? Lee- We were told to have students join their neighborhood schools (but we get out too late). We are negotiating with the athletic director of ASD to get permission to have a team. We are unable to practice at Rilke Schule. According to the athletic director, charter schools are unable to have team sports. Christina suggested parent communication regarding what is happening.</p> <p>WPG Lynne: We set our by-laws, updated</p>

---

Julie: it's already been managed by WPG for a long time (with Criterion).

In the past, the WCC was not allowed to hold funds over, but that is not the case anymore.

Tara: It makes sense for us to bond our building, just like other schools.

Lynne: With the budget cuts, if they see surplus
