

Early Wolves is a before- school club offered at Polaris K- 12 beginning in the 2024/25 school year.

This club will provide the opportunity for students to engage in a variety of morning learning activities; including journaling, crafts, board games, and other academic enrichment opportunities. Students will also have access to a small morning snack each day. Another benefit to our community is that it provides the opportunity for an early drop- off time.

Early Wolves participants are able to be dropped off starting at 7:30 AM.
